COLUMBIA, ADAIR COUNTY, KENTUCKY, WEDNESDAY, AUGUST 29 1906.

NUMBER 42

\$5 REWARD.

Lost at the Fair on Tuesday, one black shepherd dog with some white on breast, neck and feet. Responds to the name Dick. Any one delivering him at my home, 12 miles west of Columbia, and 2 miles south of Gresham, on Russell creek, Green county. I will pay (\$5) five dollars. R. T. Dowdy. 42-2t

Mr. S. C. Pemberton, of Horse Cave, and Mr. Scott Isbell, of Bowling Green, the employed Judges at the Fair, are gentlemen of honor and high standing. Their decisions throughout the entire exhibition were entirely satisfactory to all exhibitors. In fact a Fair cannot be successfully conducted without employed Judges, men who have no interest in the stock, men who can not be influenced by friends—men whose purpose is to do the proper thing, and who do it. Messrs. Pemberton and Isbell are men of that character, and the association made no mistake in selecting them. Mr. Pemberton visits our Fair annually, and is somewhat acquainted with our people, but upon this visit he added many new friends to his list. Mr. Isbell never before attended a Fair here, but his gentlemanly deportment and correct decisions won for him a name and friends, and it is hoped that he will again visit Columbia.

There was a frightful accident in the show ring last Thursday afternoon. Mrs. Fayette Wilkinson, of Stanford, was in a buggy with Mr. W. L. Grady, the rig being for the finest turnout, everything considered. The horse became unmanageable, and Mr. Grady was thrown from the vehicle, Mrs. Wilkinson remaining until it was upset, falling underneath. The horse then jumped and kicked, tearing the buggy to pieces. Mrs. Wilkinson was only slightly hurt, but it was a miracle she was not killed. The premium was awarded Mr. Tim Carvens, who was accompanied by Miss Myrtle Myers.

GREEN RIVER FARM FOR SALE.

My farm 1 mile south of Little Cave on Green river containing 304 acres 1 mile from church and school. Good buildings of all kinds, 2 good orchards and a desirable home. Has ample timber for keeping up the farm and \$400 of merchantable timber standing. There are 48 acres of bottom land worth more than I ask for the entire farm. This is your chance if you want a good home and profitable farm. W. L. RICHNEY, Purdy Ky. 26-4m

CAMPBELLVILLE MACHINE SHOP.

First-class repair work by experienced mechanics done on Engines, Boilers, and all machinery. Shop is being run by practical machinist—work done promptly. A. C. BUREY. 42-1m

Rev. R. B. Grider, pastor of the Methodist Church, Barksville, and Miss Parthena Walls Harvey, of Marrowbone, were married Wednesday of last week. The groom is a native of Russell county, a fine gentleman and a son of Mr. W. C. Grider, who lives at Esto. The bride is one of the "best young women of Cumberland" county. Soon after the ceremony the happy couple left for the home of the groom's parents where a reception was held, many friends being present.

All pupils who desire to matriculate in the Musical department of the M. & F. College, will meet Mr. Ohlenmacher in his studio the opening of school—Monday morning September 3rd, at 9 o'clock. Classes in Piano, Voice, Harmony, Theory and History of Music will be organized.

The Columbia Hotel estimates that it fed between eight hundred and one thousand people during the four days. Wednesday night the hotel lodged over two hundred persons.

DEATHS.

An infant child of Mr. and Mrs. I. S. Flanagan, this place, last Friday night. Interment in city cemetery.

An infant child of Mr. and Mrs. Claud Hobson. Mrs. Hobson was in Campbellsville with her child when death came, last Friday night. To both sorrowing families we extend our sympathy.

Ben Millam of color, a well-known character about town, is now languishing in the county jail. A few days ago he entered Dr. J. N. Page's drug-store and called for a box of clanking. Mr. Tobe Hughes who was clerking for Dr. Page, stepped to the rear of the building to accommodate him. While getting the clanking Tobe heard some money rattling, but did not see Ben at the cash drawer. In a short time after leaving Ben returned and handed Tobe a check that had been received at the store, stating that he could not use it. The circumstance were related to Dr. Page, who had Ben arrested and locked in jail. It is not known the amount of money he secured but he had \$2.65 in his pocket.

FARM FOR SALE.

We are authorized to sell one of the finest farms in Adair county. 260 acres, is in the "limestone belt," good strong land, produces fine hay, corn, wheat, oats, and one of the best burley tobacco farms in the county. Is also a fine stock farm with eight or ten fine, never failing springs. Good 8 room house with fine cistern and well at door and cave spring with rock spring house close by. Four good barns, and three good cribs. This farm is located in one of the best neighborhoods of the county, close to school, church and post-office, and 5 miles West of Columbia. Call on or address, T. A. and M. M. MURRELL, Admrs., 41-1f. Columbia, Ky.

Tuesday, the 21st inst., was the 32nd birthday of "Uncle" Jimmie Grider one of Adair County's highly respected citizens. His many friends concluded to surprise him with a dinner, which was one of the best ever spread in his neighborhood, and which was very much enjoyed by the fifty-nine grown persons and a number of children who participated.

S. H. Mitchell sold his farm in this county last week to Allen Keltner for \$2,500. Possession will be given the first of December. Mr. Mitchell is undecided as to where he will locate, but he is certain that he will not remove to Elida.

Jo Coffey Jr., made four shows with Mr. William Dodd's handsome team of geldings, winning four blues. He also won first and third in the roadster ring, with Dodd's geldings. It was one of the hottest contested rings during the Fair.

Mr. Ohlenmacher, who returned to Columbia last week, has refurbished his studio, making the apartment very inviting. Quite a number have visited the studio, pronouncing every thing most tastefully arranged.

LOST—A small purse, in the shape of a shoe. It was first missed at the Fair grounds. It contained a small sum of change. The finder will please return the purse to this office, and keep the money.

In addition to the one hundred dollars reward offered by B. F. Tupman for the arrest and conviction of the assassin of Miss Lizzie Hancock. Gov. Beckham offers a reward of two hundred dollars.

The many friends of Col. E. Butler will be sorry to learn that he met with a stroke of paralysis last Saturday, affecting one of his lower limbs. He is in a very critical condition.

Defends His Administration Against Traducers and Presses His Claim for the Senatorship.

All of this fight is largely due to the fact that the United States Senatorship, and during the years of Democratic control in Kentucky, the head of the administration. My opponent, as well as an secret alliance with those who are making this warfare, and in the hands of the people, as well as in the campaign with the Republican, is to be the point of attack. I am not prepared to meet it in either event, and I am well enough to expect that I shall be able to do so. I am not wearing the false line of opposition before and after the election, but I am clearly drawn and let the people decide.

The Auditor's report, which will be laid before the Legislature this week, will show that there was a surplus balance in the Treasury of \$1,000,000 at the close of the fiscal year, 1879-80; but unfortunately, this report was made at a very unfortunate time, at the very time there was a large amount of claims outstanding against the Treasury aggregating a very large sum, not less than several millions of dollars. It was, therefore, that this reported surplus was not a true surplus, but an impression which the real facts in the case do not at all justify or warrant. It was, therefore, that the Government paid claims against the "commonwealth" for the fiscal year 1879-80, not only in greatly in excess of the amount then in the Treasury, and consequently there was a deficit, but a deficit of a "surplus."

There was a very large one-limited deficit for the 16th of October, 1880, was

pamphlet. There has not been a day since then that the so-called "machine" has not invited the western farmer to come into its ranks and be its captain. The farmer, however, has not responded, and would now be one of "the machine's" most ardent advocates. The "machine" has been the victim of the "Reform" has swept over the rest of the country. It has lost its political power. He would have such a grasp sweep over Kentucky and wipe out the "machine" as it has done elsewhere, seems, that before his humble opponent could get a word in for his own defense he was holding office in Kentucky. "I have seen 'machines' come and go, but I have never seen one that has been so taken down as this one," and laughed at those who had been so sure of their own infallibility. His respiratory declamation denounces those who have at least given to Kentucky the "Reform" and the "machine" the credit of the public affairs, and kept his own hands clean. The Kentucky constitution was in 1872.

and I cannot tell all of my friends and acquaintances how much I appreciate their best efforts to see that it is fairly and honestly conducted.

I have great confidence in the fairness and integrity of the Chairman and the members of the board, and I fully believe they will do everything in their power to make the election a success, and believe that the county and local committees will do their part, too, to elect the best man.

Now let us take up the attacks at the county level. Mr. Derry's campaign machine are making a campaign of the Administration and its record. These are the men who have been elected and he has selected as his candidate for Governor. I think that he has made a mistake, and with all that he has made, I do not consider those charges commensurate with the position he is running for, but for the fact that he is the announced candidate of my Government, and a representative of my people, I am naturally a more untruthful as well as a more unscrupulous man.

CHAS. S. HARRIS - EDITOR.

Democratic newspaper devoted to the interests of the city of Columbia and the people of Adair and adjacent counties.

Entered at the Columbia Postoffice as second class mail matter.

WED., AUGUST 22, 1906.

For the satisfaction of our esteemed contemporary and friend, Mr. F. J. Campbell, the able editor of the Somerset Journal, we make the following statement:

As we understand the word "machine" when applied to politics, it means a set or number of men united for the purpose of making finished political products—the modern method of advancing personal political fortune; a complete organization for controlling party action. In other words it means compact organization by politicians outside of the regular and legal party authority. It is unfortunate for any party or State to be under machine domination and we trust that Kentucky Democrats will never permit the acquisition of such power to be formed in this State. Organization is necessary but we do not indorse compacts and pooled interests strong enough to wield scepter of dictation by any combination of political adventures. We have not been opposed to the present Administration and no Democrat more thoroughly endorses the good accomplished than we do, but our endorsement need not be understood as "hero worship." The Journal says in its issue of the 24th, "Pray tell us, Mr. Harris, when Kentucky Democracy fought for anything that was not for the good of the party and the country; and when, in late years, the method of warfare was not fair and honorable, if not old fashion. Tell us also, who is to blame for the threatened drop to the low plane of Republican battles in Kentucky, the attacked or attackers?" We answer: Democracy in this State never lost any of its forces when engaged against the common enemy; no Democrat has ever deserted when in battle with the foe, and yet twenty years ago we had 60,000 majority. The principles of Democracy are unchanged, therefore it must be party policy that has reduced that magnificent showing nearly to the borderland of doubt. Take the present trouble in the races for Senator and Governor and see how much they resemble a Republican scramble in the Eleventh. Who did it and for what purpose should be left for Democratic voters to decide, in November, but you press us for an answer and here is our opinion: There is no statesmanship, nor evidence of party patriotism on the part of Attorney General Hays in his criticism or charges against the present administration when facts do not warrant them. To our mind, the Governor, who has been so faithful to every trust and who has given good service to party and State

has likewise erred in his attempt to make the temperance question an issue between himself and honorable competitor. Senator McCreary is not opposed to temperance and is not allied with the whisky interests and the Governor's effort to make it so appear does not have the right ring to us. There is not a doubt that both men are for temperance and Sunday observance and it is unfortunate to capitalize the Governor's efforts to enforce law and use the same against Senator McCreary by placing him in league with a cause he has not espoused. This is not old fashion and not likely to produce old time results.

THE FAIR.

The Fair which closed last Friday afternoon was one of the most successful ever held in this town. On Tuesday a splendid attendance, particularly the ladies, attested the appreciation of the people in general for the Fair and indicated that the attendance for the following days would be up to the expectations of those who stood to meet the expenses. Wednesday the rain kept many away and the receipts were discouraging compared to the second day of last year but the third day made all forget the loss of the second for full 5,000 people were on the inside to witness the many close and spirited contests in the ring, to indulge in social intercourse with friends and witness the fleet-footed thoroughbred come down the stretch—a mile in 1:38. Friday, like all closing days of former Fairs, was one of the most enjoyable, the crowd being neither too large nor too small for a most pleasant time.

To the credit of the high character of the people in Southern Kentucky and the faithful and efficient service of Sheriff Patterson and his excellent deputies the best of order prevailed, only two arrests necessary.

The Columbia Band furnished the music and while it is only a year old, yet it received many compliments for the sweet strains that delighted the large audience each day and tickled the pride of Columbians who are really and truly for the band. The truth is that we never heard of a criticism from any one but compliments from many, so in token of the Association's good will the Secretary presented a check for the amount agreed on and with this, "For music satisfactory to the Association and to the many thousands who heard and appreciated it."

So far as we are able to learn nearly every one who operated a business on the grounds did reasonably well. At this writing it is unknown just how much the Association will make but sufficient information to indicate that a reasonable dividend will be declared. From a social standpoint the Columbia Fair can not be excelled in the State and many ring shows are up to many of the larger towns. Throughout the entire Fair not a single accident of a serious nature occurred except the one elsewhere mentioned in this issue. Good will prevailed,

upright conduct was manifested, the Association well pleased and those who attended refreshed. Below we give the winners:

Mr. W. E. Hillis, one of Cumberland county's best citizens, was at our Fair and we have heard it hinted that his chief reason for attending, was to see what his two year old Peacock filly would do in good company. Well, those who believe that blue ribbons only, brought Mr. Hillis to the Columbia Fair, are not correctly informed. He was here to meet his many friends, and enjoy the Fair, as well as witness that beautiful young mare sweep the deck and graduate. She is only two years old, has been shown 12 times, and won 10 blues and two reds, a record that ought to make her owner proud.

HON. M. REY YARBERRY.

Above we give the picture of Mr. Yarberry, a leader in the recent Republican victory that means the return of the present Congressman to Washington. Mr. Yarberry was born and reared in this county and in the main has blazed out his own course. He enjoys a lucrative position in Washington and has developed remarkable political sagacity and popularity in his party in this district. As a speaker he stands in the front rank of his party; as an active worker and developer of winning plans he must be recognized as a leader, for the magnificent majority his candidate received attests his worth in the active field of politics.

Mr. E. A. Gullion, editor of the Henry County Local, published at New Castle, has announced his candidacy for the Democratic nomination for Superintendent of Public Instruction. Mr. Gullion is a newspaper man, well and favorably known over the State. He has been President of the Kentucky Press Association, and was Superintendent of the common schools of Carroll county for sixteen years. He has been a member of Educational Boards, in fact, he has been an enthusiastic educator since he reached his majority. He is a gentleman of the strictest integrity and is exceedingly popular wherever known.

In the Republican primary in this Congressional district, Edward's majority over White, 8,384; over Herd, 3,864. He carried the district over both his opponents about 2,500. Edwards has been awarded a certificate of his nomination. Mr. White it is said, will likely enjoin the Secretary of State from placing Mr. Edwards name on the ballot, claiming that whiskey and money was used.

While gathering peaches last Monday, Mr. W. B. Rowe fell from a tree, breaking a collar bone.

ELECT OHIO EDITOR G. A. R. COMMANDER

R. B. BROWN, OF ZANESVILLE,
SUCCEEDS TANNER AS HEAD
OF VETERANS.

Senior Vice Comes from Indiana,
While Junior Halls from Michigan,
with Archbishop Ireland Elected
Chaplain-in-Chief.

Commander-in-Chief—R. B. Brown,
Zanesville, O.
Senior Vice Commander—William H.
Armstrong, Indianapolis.
Junior Vice Commander—E. B. Fenton,
Detroit.
Chaplain-in-Chief—Archbishop John
Ireland, St. Paul.
Burgon General—W. H. Johnson, Lin-
coln, Neb.

Minneapolis, Minn., Aug. 17.—The
above officers were elected Thursday
at the annual meeting of the Grand
Army of the Republic.
The new commander-in-chief of the
Grand Army, R. B. Brown, was born
in 1845 and has always lived in Ohio.
He enlisted in the Fifteenth Ohio in-
fantry at the age of 16 years and
served in the Fourteenth army corps
in the army of the Cumberland until
he was mustered out in 1864. He then
re-enlisted as a veteran soldier and
served as such until the end of the
war. He was a private throughout the
first three years of his service and
then became a non-commissioned of-
ficer. He has always been active and
prominent in the work of the Grand
Army. Mr. Brown is now editor of the
Zanesville Courier.

Tanner Analyzes Bad Citizens.
The report of Commander-in-Chief
Tanner covered all features of the
work during the last year. No men-
tion was made of the canteen ques-
tion, but recommendations were made
that the Grand Army enter a dignified
protest against the erection of the
Wirt monument.

Commander Tanner declared the G.
A. R. has attained "a position of com-
manding influence, which has been
beneficial, not only to our own com-
rades, but to the nation which we
served in the hour of its peril."
The commander bitterly arraigned
those who, posing as the "most en-
lightened men of the nation," had proven
false to their trust in various ways,
but declared that among all such the
name of no civil war veteran could be
found.

Secretary's Report.
The final membership is declared to
be 218,000, an increase of 5,000 dur-
ing the past year. The losses for the
past year were 1,000, of which 2,500 per
cent. of the membership was lost in
the past year, the loss in
the past year being exactly the same per
centage.

The credits from the per capita
taxes for the past year were \$1,000,000,
an increase of \$100,000 over the
past year, and the tax to be in-
creased from three and one-half cents
to four cents per annum.

To Meet at Saratoga.
Minneapolis, Minn., Aug. 18.—The
Grand Army of the Republic completed
its fortieth encampment late Fri-
day and adjourned to meet in Saratoga,
N. Y., in 1907.

The encampment, after an exciting
debate, decided that a protest against
the erection of a statue to Henry Wirt
should be sent to Gen. S. D. Lee, the
commander of the Southern Veterans
association.

The proposition to deprecate the ac-
tion of congress in abolishing the can-
teen from the Old Soldier's homes
was laid on the table without debate.
SEVEN DROWNED ON SABBATH

People from All Walks of Life Meet
Death in Water.

Duluth, Minn., Aug. 20.—The water
claimed five victims in the head of
the lakes region Sunday. Frank Zuer,
aged 23, and his brother William,
aged 21, went bathing a short distance
east of Hibbing. They got beyond
their depth and sank before help
could reach them.

The 15-year-old son of Harry Thom,
living seven miles north of Aitkin,
was assisting his father in making a
raft of logs when he slipped and fell
into the water.
Hans Nelson, 16 years of age, of
Superior, perished in St. Louis bay
in the sight of a number of compan-
ions who had warned him not to wade
out beyond his depth.

W. B. Peck, of Duluth, was drowned
at Solon Springs, Wis., in the presence
of his two daughters, Dorothy, aged
14, and Marjorie, aged ten, who were
in a boat a few feet distant from
where Mr. Peck had gone in bathing.

Minneapolis, Minn., Aug. 20.—Two
men were drowned Sunday at Lake
Minnetonka, both at different places
and while in bathing. Ralph Strole,
22, lost his life at Salburg Point. A
man named Baker, went in bathing
at Shady Island. Both victims were
related with cramps and sank before
aid could reach them. They lived in
Minneapolis.

Death of a Pioneer Packer.
St. Paul, Minn., Aug. 18.—James T.
McMillan, aged 70 years, a pioneer
settler as well as a veteran in the
clothing industry of St. Paul,
died at his home here early Friday,
of a long illness from liver trouble.

TRADE STILL ON UP GRADE NEW HIGH MARK MADE IN SOME LINE EACH WEEK.

Bright Outlook is Enhanced by Abundant
Crops, Demand for Steel and
Plenty of Work for All.

New York, Aug. 18.—R. G. Dun &
Co.'s Weekly Review of Trade, says:
Abundant crops and an oversold
steel industry engender sentiment of
confidence that make the outlook
bright for a continuance of present
prosperous business conditions. Each
week brings a new high water mark
in some department and the net result
is uniformly better than for the cor-
responding week in any previous year.
The weather has favored both crops
and the distribution of merchandise,
while the latter is increased by sea-
sonable bargain sales. Despite un-
precedented preparations for business
by liberal purchase of rolling stock,
the railways are facing a serious
blockade that cannot be avoided when
the crops begin to move freely. Earn-
ings thus far reported for August
were 11.7 per cent. larger than last
year.

Some damage by storms was report-
ed, but of local effect only, and a
more significant factor was the fur-
ther voluntary advance in wages at
the mills. The latter relief appears to
be the supply of labor, production being
reduced in some cases where con-
sumers are most urgent.

Fall dry goods jobbing trade broad-
ens, clothing manufacturers make
heavy shipments and the leading in-
dustries are usually supplied with or-
ders assuring active machinery well
into next year.

July foreign commerce for the
whole country far surpassed the same
as in any previous year, especially
as to imports, which were close to the
largest in any previous month, and at
this point alone for the last week there
were gains of \$5,891,468 in imports
and \$1,819,832 in exports as compared
with the same week in 1905.

Failures this week numbered 176 in
the United States, against 218 last
year, and 16 in Canada, compared
with 28 a year ago.

DOWIE AND VOLVO TO END WAR

Rumors of Compromise Follow Con-
ference at Shiloh House.

Chicago, Aug. 17.—Rumors are rife
in Zion City. It is hinted on all sides
that a visit made by Volva to Dr.
Dowie Thursday afternoon may have
as its object the compromise of the
warring interests in the city and the
union for the benefit of the city's in-
terests.

There was a secret conference be-
tween Volva and Dowie at Shiloh
house, but neither of the parties to the
meeting will discuss the matter. As
a result of this reference the peo-
ple not knowing where they stand,
are distracted.

LAUNCH BOOM FOR UNCLE JOE

Danville Convention Urges Nomina-
tion for President.

Danville, Ill., Aug. 17.—Speaker
Canon's boom for the presidency was
launched here Thursday when the
speaker was re-nominated for congress
by acclamation by the Republican con-
gressional convention of the Eight-
eenth district.

In accepting the nomination for
congress, Mr. Cannon made a long
speech, which sounded the call for
the coming campaign. The speaker
extolled the record of the Republi-
cans and pointed out the need of
their prosperity as a justification of
its continuance in office.

Agriculture and Industrial Sections
Loudly Call for Help.

Duluth, Minn., Aug. 18.—Scarcity of
labor is the cry all over the northwest
from the head of the lakes to the
wheat fields of the Dakotas, where the
demand has reached a critical stage.
In many cases the farmers are offer-
ing from \$2.50 to \$3 per day and board
and have not more than 50 per cent.
of the labor they require. The same
conditions are being experienced in
all lines of industry, including the
railroads, contractors and miners both
on the range and in the copper coun-
try.

BUFFALO TREASURER SET FREE

Charge of Grand Larceny in "Grave-
yard" Scandal Does Not Hold.

Buffalo, N. Y., Aug. 17.—Fred O.
Murray, collector of customs, and for-
mer deputy county treasurer, was ac-
quitted Thursday of the charge of
grand larceny in connection with the
"graveyard" scandal, by which the
county was mulcted out of many thou-
sands of dollars. When the state
closed its case against Murray the
court directed the jury to return
verdict of not guilty on the ground
that no evidence had been introduced
to sustain the indictment.

Another Chicago Bank Closed.

Chicago, Aug. 17.—As an echo of
the crash of the Milwaukee Avenue
State bank, the Garfield Park bank
closed its doors Thursday at noon. De-
posits approximating \$100,000 indi-
cate the extent of the failure to the
community on the West Side.

CONTROL OF STATE IS AIM ILLINOIS DEMOCRATS GATHER AT PEORIA FOR BATTLE.

Fight Between National Commit-
tee-men Sullivan and Followers of
Bryan Is Begun.

Peoria, Ill., Aug. 22.—The Democrat
state convention met at 12:30 Tues-
day for the purpose of nominating
candidates for state treasurer, state
superintendent of public instruction
and for three trustees of the Univer-
sity of Illinois.
In reality, however, the convention
was more of a fight for the control
of the state party machinery between
the faction headed by National Com-
mittee-man Robert C. Sullivan, of Chi-
cago, and the immediate followers of
William J. Bryan, who, in successive
years, has secured the resignation of
Sullivan from the national committee
on the ground that it was improperly
obtained two years ago. Sullivan has
not only refused to resign, but he and
his friends insist what they term the
interference of Mr. Bryan in their
state politics. Before the convention
both sides predicted success. Sullivan
is claiming that he controlled 1,400
out of the 1,667 delegates and the Bryan
people, who are headed by Judge
Owen Thompson, of Jacksonville, and
Congressman William T. Ralston, of
Chicago, are asserting confidently
that they controlled the situation.
They declared that unless the con-
vention followed the wishes of Mr.
Bryan and repudiated Sullivan, they
would fight to the last against any
indorsement of Bryan by the conven-
tion. Sullivan declared, on the other
hand, that Bryan would be indorsed,
whether he liked it or not.

The indications at the opening of
the convention were for a long and
hard fight with a superabundance of
heated oratory.
Chairman Roesechenstein announced
that the state central committee had
selected for chairman of the conven-
tion Judge Carroll C. Boggs, of Fair-
field, and for secretary Edward Cahill,
of Springfield.

1,000 COSSACKS IN MUTINY.

Rescue School Teachers from Police—
Many Peasants Slain.

St. Petersburg, Aug. 22.—A serious
mutiny on the part of Cossacks has
broken out in the district of Khar-
kov. Several popular teachers were arrest-
ed by the police and were being taken
away when 1,000 Cossacks came to
their assistance. The teachers were
released and the police disarmed.
Next the Cossacks arrested the local
authorities, including the prefect, and
they are all in jail guarded by the Cos-
sacks.

"If you are so brave, why didn't you
defeat the Japanese?"
This taunt tossed at Russian sol-
diers at a fair held in Khar'kov prov-
ince, was directly responsible for an
attack made on groups of peasants in
which 57 of the latter were killed or
injured. A number of soldiers attend-
ed the fair and came into conflict with
the peasants. The latter taunted the
soldiers. The soldiers reported to
their commander and he called the
company of soldiers and ordered them
to charge the peasants.

An interview which Emperor Wil-
ham had with Count Witte, in
which the latter announced his early
return to Russia, has been published
here and is attracting considerable at-
tention, but Premier Stolypin is quoted
as saying that he knew the temper
of the authorities at Peterhof and that
there was no vestige of a chance that
Emperor Nicholas would again call
Count Witte to power.

Warsaw, Poland, Aug. 22.—The chief
of police of Stedice, 55 miles south-
east of Warsaw, was killed Tuesday
by a bomb. Two constables and a
woman who were near the chief were
wounded. The assassin escaped.

Rain Saves Potato Crop.

Superior, Wis., Aug. 22.—The se-
rious drought which has threatened
certain crops has been averted, par-
ticularly the potato crop of the northern
section of the state, was broken Tues-
day by a drenching rain which fell
throughout the night and Tuesday
morning. Reports from the Vermilion
and Mesaba ranges in Minnesota indi-
cate that the rain there was plentiful
and that it came none too soon. For
est fires on the ranges are not entir-
ly smothered, but the danger of a fore-
cast conflagration is thought to have
passed.

Storm Damages Summer Resort.

Oakbrook, Wis., Aug. 22.—Oakbrook,
one of the largest summer resorts in
this vicinity, was considerably dam-
aged Monday evening by a miniature
ornado, which accompanied a brief
rainstorm, general in this section.
The wind tossed rowboats upon the
shore and damaged a number of ex-
pensive docks along the beach, besides
tearing down trees and damaging cot-
tages.

Wilson Inspects Packing Houses.

Omaha, Neb., Aug. 22.—Secretary of
Agriculture Wilson arrived in South
Omaha early Tuesday and visited all
the packing houses. Secretary Wil-
son did not make himself known, and
after a brief inspection of the several
plants left the town without giving
out any information other than to in-
dicate that everything was found to
be in a satisfactory condition.

WITH OUR CORRESPONDENTS

Week's Happenings—News Important or Otherwise as Reported By Our Corps of Correspondents.

ELIDA, NEW MEXICO.

Editor News:

Trusting that a few lines written from this part of the far West by one of the humble excursionists, may possibly interest some of your many readers.

On August 7th the crowd from old Adair, comprising Miss Susie Mourning, Messrs. Jim Naylor, Frank and Tom Waggener, Rufus Caldwell, Dr. W. T., B. F. and R. H. Grissom started for New Mexico and arrived at their destination on the 10th. We traversed some of the finest country where crops were looking splendid. The wheat crop is yet to be threshed, while the ground is being prepared for the next.

At Elida we found quite a colony of Kentuckians, especially from Adair, who had all filed claims on quarter sections joining each other, or in close proximity, for several miles.

Everyone is well satisfied and contented with his or her claim and the meager surroundings incident to frontier life. Should the people in general keep on developing this country of primitive nature, it shall most certainly come to the front sooner or later as a great agricultural country in every respect.

Messrs. M. A. and Leslie McClister, two fellows from Fairbury section of Adair county, claiming a splendid claim on section, have 120 acres in which are looking promising. Mr. Andrew McClister is acting as locating agent.

Mrs. Bettie Burbridge and two sons, Dolphus and Alva, of Glensfork section, jointly possess three quarter sections of fine land. The boys plowed up a large acreage of the virgin sod last Spring, and then harrowed it, in which Indian corn, kafir corn, melons, etc., were put out and then no cultivation whatever was done to them, and they are looking fine, especially water-melons.

Land is being taken up at a rapid rate in this part. Every train brought daily a crowd of people from various parts of the union for the purpose.

Mr. E. C. Murrell, of Fairfield, Iowa, is here and has bought a relinquishment near Portalis. Mr. Jim Traylor, of Abbot, Texas, also came here and filed a relinquishment near Elida. Mr. R. M. Grissom, of Eddy, Oklahoma, was here looking after some property. Being well-pleased with this country, Messrs. Naylor, Waggener, Rich Grissom and Miss Mourning have each filed a claim on as fine land as can be found.

Fell Dead.

A man fell dead in Chicago the other day from heart trouble, and thousands die every day in the same way. But the cause of nine out of ten of such cases of heart trouble is indigestion. The cure is Dr. Caldwell's (laxative) Syrup Pepsin. The explanation is that the swollen, inflamed and engorged stomach, presses right up against the heart and prevents it from working, your heart flutters, palpitates, pains and you are short of breath; some lose it forever. Just try for these symptoms, a few doses of Dr. Caldwell's Syrup Pepsin, and see how quickly it will cure you. Sold by Dr. J. N. Page, of Columbia, and Page and Moore Cane Valley at 50c and \$1.00. Money back if it fails.
